GENERAL NOTES PERTAINING TO AMENDED SCHEDULES AND SOFAS

On June 10, 2009 (the “Commencement Date”), Crescent Resources, LLC (“Crescent Resources”), its parent Crescent Holdings, LLC (“Crescent Holdings”), and their affiliated debtors, as debtors and debtors in possession (collectively, “Crescent” or the “Debtors”), each filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Western District of Texas (the “Bankruptcy Court”). With the assistance of their Bankruptcy Court-appointed advisors, the Debtors’ management prepared the Amended Schedules of Assets and Liabilities (collectively, the “Amended Schedules”) and the Statements of Financial Affairs (the “Amended SOFAs” and together with the Amended Schedules, the “Amended Schedules and SOFAs”) pursuant to section 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”). The Amended Schedules and SOFAs are unaudited and do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), and they are they not intended to be fully reconciled to the financial statements.

These general notes regarding the Debtors’ Amended Schedules and SOFAs (the “General Notes”) are incorporated in, and comprise an integral part of, the Schedules and SOFAs filed by the Debtors and should be referenced in connection with any review of the Amended Schedules and SOFAs. Nothing contained in the Amended Schedules and SOFAs shall constitute a waiver of any rights or claims of the Debtors against any third party, or in or with respect to any aspect of these chapter 11 cases.

1. **Amendments.** Although the Debtors’ management has made every reasonable effort to ensure that the Amended Schedules and SOFAs are accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Amended Schedules and SOFAs, and inadvertent errors or omissions may have occurred. Subsequent receipt of information or an audit may result in material changes in financial data requiring amendment of the Amended Schedules and SOFAs. Accordingly, the Amended Schedules and SOFAs remain subject to further review and verification by the Debtors. The Debtors reserve their right to amend and/or supplement the Amended Schedules and SOFAs from time-to-time as may be necessary or appropriate.

Some of the Debtors' scheduled liabilities are unknown, unliquidated, and/or undetermined at this time. In such cases, the amounts are listed as "Unknown" or "Undetermined" or "Unliquidated." As a result thereof, the Debtors' Amended Schedules and SOFAs may not accurately reflect the aggregate amount of the Debtors' liabilities, which may differ materially from those stated in the Schedules. Any failure to designate a claim on the Debtors' Schedules and/or SOFAs as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such claim is not "disputed," "contingent," or "unliquidated." The Debtors reserve the right to dispute, or to assert offsets or defenses to, any claim reflected on its Amended Schedules and SOFAs as to amount, liability, priority, secured or unsecured status, characterization, categorization, designation, or classification, or to otherwise designate any claim as "disputed," "contingent," or "unliquidated" by filing and serving an appropriate amendment.

In addition, the listing of any claim as priority does not constitute an admission by the Debtors that such claim is entitled to priority under section 507 of the Bankruptcy Code. The Debtors reserve the right to dispute the priority status of any claim on any basis.

2. **Description of the Cases.** By Order of the Bankruptcy Court, the Debtors' chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Bankruptcy Rule 1015(b) under Case No. 09-11507 (CAG). The Debtors continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

3. **"As of" Information Date.** Unless otherwise stated, asset and liability information is as of the close of business on the Commencement Date.

4. **Asset Presentation.** With the exception of real property assets, as discussed below, each asset and liability of the Debtors is shown on the basis of the book value of the asset or liability in the Debtors' non-audited accounting books and records, as of June 10, 2009, and not on the basis of current market values of such interest in property and/or liabilities. Attempts to obtain current market valuations of all assets would be cost prohibitive, unduly burdensome, and an inefficient use of estate assets. Accordingly, the Debtors have not attempted to do so in connection with the preparation of the Amended Schedules and SOFAs. Amounts ultimately realized may vary from the book value (or whatever value was ascribed) and such variance may be material. Nothing herein shall be construed to give rise to a presumption or admission that any of the Debtors were or were not solvent or were or were not insolvent on, or at any time prior to, the Commencement Date.

5. **Liabilities.** Pursuant to orders of the Bankruptcy Court, the Debtors have been granted authority to pay, in their own discretion, certain pre-petition obligations to employees, taxing authorities, lienholders, and certain customers and other entities posting deposits with the Debtors. Accordingly, to the extent that these liabilities have been or will be satisfied, such liabilities may be listed in the Amended Schedules and SOFAs as "contingent."

In addition, as further discussed below, in the case of the claims of certain lienholders and certain taxing authorities, the Debtors' investigation regarding the validity of such claims is ongoing, and certain claims for which the Debtors may ultimately determine they

have no liability have been scheduled as “contingent” claims. Further, in the instances where, post-petition, the Debtors have paid a pre-petition liability in amounts that do not fully satisfy the pre-petition liability, the indebtedness reflected in the Schedules constitutes the pre-petition amount outstanding after any such post-petition payment. The Debtors reserve the right to object to any claim as satisfied.

The liabilities listed on these Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to such creditor’s claim.

6. **Intercompany Transactions.** Prior to the Commencement Date, the Debtors routinely engaged in intercompany transactions resulting in intercompany accounts payable and receivable. The Debtors have made a good faith effort to reflect on Schedule F any intercompany accounts payable at the gross amount due and owing as of the Commencement Date. The Debtors have made a good faith effort to reflect on Schedule B intercompany accounts receivable at the gross amount due and owing as of the Commencement Date.

7. **Property and Equipment - Owned.** Owned property and equipment are listed at net book value, including any depreciation (in accordance with GAAP) as recorded in the Debtors’ books and records. Nothing in the Schedules or SOFAs (including, without limitation, the failure to list leased property or equipment as owned property or equipment) is or shall be construed as an admission as to the determination of legal status of any lease (including whether any lease is a true lease or financing arrangement), and the Debtors reserve all their rights with respect to such issues.

8. **Property and Equipment – Leased.** In the ordinary course of business, the Debtors lease equipment from certain third-party lessors for use in the daily operation of their business. Any such leases are set forth in the Amended Schedules and SOFAs. Nothing in the Amended Schedules and SOFAs is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any such issues. The property subject to any such leases is not reflected in either Schedule A or Schedule B as either owned or assets of the Debtors. Such property is also not reflected in the SOFAs as assets of third-parties within the control of the Debtors.

9. **Leases.** The Debtors have not included in the Amended Schedules and SOFAs the future obligations of any capital or operating leases.

10. **Interest in Subsidiaries and Affiliates.** Crescent Resources directly or indirectly owns all or part of the subsidiaries and affiliates that are also Debtors. In addition, Crescent Resources indirectly owns all or part of numerous subsidiaries and affiliates that are not Debtors. Interests in subsidiaries arise from stock ownership or from interests in partnerships. Crescent Resources’ Schedule B.14 lists its investments, if any, in subsidiaries and affiliates. The value of such interests is dependent upon numerous variables and factors. Given the complexity of these variables, the Debtors are unable to schedule value for such interests other

than the costs associated with the acquisition in its books and records plus any earnings/losses and equity infusions/distributions since the acquisition date.

11. **Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets and liabilities from the Amended Schedules and SOFAs, de minimis deposits, and certain accrued liabilities including, without limitation, accrued salaries, employee benefits and tax accruals. Additionally, certain deferred charges, accounts, or reserves recorded for GAAP reporting purposes only and assets with a net book value of zero are not included in the Debtors' Schedules. The Debtors also have excluded potential rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist. Other immaterial assets and liabilities may also have been excluded.

12. **Consolidated Entity Accounts Payable and Disbursement Systems.** Separate accounts payable systems are maintained by Crescent Resources, LLC, LandMar Group, LLC, Palmetto Bluff Club, LLC, Palmetto Bluff Lodge, LLC, May River Golf Club, LLC, The River Country Club, LLC, and Hawk's Haven Golf Course Community Developers, LLC, through which payments for all Debtors are made. The Debtors operate their businesses as a consolidated entity and, as such, although efforts have been made to attribute open payable amounts and/or payments to the correct legal entity. Payments made are listed by the entity making such payment notwithstanding that certain payments will have been made on behalf of another entity.

13. **Estimates.** To close the books and records of the Debtors as of the Commencement Date, the Debtors were required to make certain estimates and assumptions that affect the reported amounts of their assets, liabilities, revenue, and expenses. Accordingly, in some instances, the Debtors have used estimated amounts where actual data as of the Commencement Date was not available.

14. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

15. **Insiders.** The Debtors have attempted to include all payments made during the one-year period preceding the Commencement Date to any entity or individual deemed an "insider." For this purpose, "insider"¹ is defined as (i) a corporate affiliate, (ii) an individual serving as a division head and (iii) an individual having direct responsibility for the Debtors' business plan within the one-year period prior to the Commencement Date. While certain individuals with a "director" or "officer" title have been excluded from this definition, the Debtors have determined that such individual either (i) received no payments from the Debtors or (ii) the individual's responsibilities is/was limited in scope to a specific project or projects and that such individual's relationship with the Debtors is/was that of an ordinary employee. The listing of a party as an insider is not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims and defenses are hereby expressly reserved.

¹ To the best of the Debtors' knowledge, no payments were made to relatives of an "insider" (as defined herein) during the one-year period preceding the Commencement Date.

16. **Causes of Action.** The Debtors, despite reasonable efforts, may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Amended Schedules and SOFAs. The Debtors reserve all of their rights with respect to any causes of action they may have, and neither these Global Notes nor the Amended Schedules and SOFAs (or anything contained therein) shall be deemed a waiver of any such causes of action.

17. **Environmental Information.** The Debtors have listed environmental information in SOFA 17 and potential environmental liabilities in Schedule F to the best of their ability, based on the information available to the Debtors at the time the Amended Schedules and SOFAs were prepared. To the extent further investigation reveals additional environmental information or potential environmental liabilities, the Debtors reserve their right to amend their Amended Schedules and SOFAs as necessary and appropriate.

18. **Schedule A.** Real property values have been presented on an historical accounting basis, at net book value, per the Debtors' books and records as of the Commencement Date. Schedule A does not reflect transfers or other disposition of property that occurred after the Commencement Date. Additionally, in the ordinary course of the Debtors' bookkeeping, the value of certain personal property assets is subsumed in the Debtors' accounting for their real property assets. For example, certain tangible business property (such as office furniture, computer equipment, and supplies on hand) located on real property is not separately recorded in the Debtors' books and records and is contained within the asset values for the related real property. Additional detail regarding these personal property assets may be available in some instances upon request.

Furthermore, consistent with the Debtors' books and records, certain consolidated joint venture assets are reported at 100% of the net book value of the joint venture and without adjustment for the minority partners' ownership interests.

19. **Schedule B.** Personal property assets are listed at net book value, per the Debtors' books and records as of the Commencement Date. However, these are subject to further review and reconciliation, including, but not limited, to certain bank account detail listed in Schedule B.2.

Consistent with the Debtors' books and records, certain consolidated joint venture assets reported at 100% net book value and without adjustment for the minority partners' ownership interest.

Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

The Debtors have not set forth executory contracts as assets on Schedule B. The Debtors' executory contracts are set forth in Schedule G.

20. **Schedule D.** Secured claim amounts have been listed on Schedule D without regard to the value of assets secured thereby. The Debtors were unable to estimate the fair market value of the assets pledged pursuant to a secured obligation. Accordingly, deficiency claims of secured creditors were not listed on Schedule F and such omission is not an admission by the Debtors as to the sufficiency of collateral related to any secured claim listed on Schedule D. The descriptions provided in Schedule D are intended only to be a summary.

Although the Debtors may have scheduled claims of various creditors as secured claims, except as otherwise agreed pursuant to a stipulation, agreed order or order entered by the Bankruptcy Court, the Debtors reserve all rights to dispute or challenge the validity, perfection, or immunity from avoidance, of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D.

Reference to the applicable agreements and other related relevant documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. Nothing in the General Notes or the Amended Schedules and SOFAs shall be deemed a modification or interpretation of the terms of such agreements.

The Debtors have received authority to pay certain valid lien claims. The Debtors' investigation into their various lien liabilities is ongoing, and certain claims for which the Debtors may ultimately determine they have no liability have been scheduled as "contingent" claims. The inclusion on Schedule D of creditors that have asserted mechanic's and other liens is not intended to be an acknowledgement of the validity, extent, or priority of any such liens, and the Debtors reserve their right to challenge such liens and the underlying claims on any ground whatsoever.

Except as specifically stated herein, real property lessors, utility companies, and other parties which may hold security deposits have not been listed on Schedule D. The Debtors have not included on Schedule D all parties that may believe their claims are secured through setoff rights, deposits posted by, or on behalf of, the Debtors, or inchoate statutory lien rights. While reasonable efforts have been made, determination of the date upon which each claim in Schedule D was incurred or arose would be unduly and cost prohibitive, and therefore, the Debtors do not list a date for each claim listed on Schedule D.

21. **Schedule E.** While reasonable efforts have been made, determination of the date upon which each claim in Schedule E was incurred or arose would be unduly burdensome and cost prohibitive, and therefore, the Debtors do not list a date for any claim listed on Schedule E.

It should be noted that the Debtors have received authority to pay certain valid prepetition tax liabilities. While the Debtors' investigation into their various tax liabilities is ongoing, to the extent that such tax liability was satisfied, it is not included in the Schedules.

It should be further noted that because the Debtors filed in the middle of the taxing year, the Debtors had only a small number of 2008 invoiced tax liabilities as of the Commencement Date. These liabilities are listed in the Debtors' Schedules as "contingent" claims. The Debtors had no 2009 invoiced tax liabilities as of the Commencement Date. Accordingly, there are no accrued 2009 tax liabilities included in the Schedules. However, the Debtors have made best efforts to include all relevant taxing authorities in their master mailing list and will ensure that such taxing authorities receive notice of the bar dates established in these bankruptcy cases.

22. **Schedule F.** The liabilities identified in Schedule F are derived from the Debtors' books and records, which may or may not, in fact, be completely accurate, but they do represent a reasonable attempt by the Debtors to set forth their unsecured obligations. Accordingly, the actual amount of claims against the Debtors may vary from the represented liabilities. Parties in interest should not accept that the listed liabilities necessarily reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims. Similarly, parties in interest should not anticipate that recoveries in these cases will reflect the relationship of aggregate asset values and aggregate liabilities set forth in the Schedules and SOFAs. Parties in interest should consult their own professionals and/or advisors with respect to pursuing a claim. Although the Debtors and their professionals have generated financials the Debtors believe to be reasonable, actual liabilities (and assets) may deviate from the Amended Schedules and SOFAs due to certain events that occur throughout the duration of these chapter 11 cases.

The claims listed on Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose may be unknown or subject to dispute. Although reasonable efforts have been made to determine the date upon which claims listed in Schedule F was incurred or arose, fixing that date for each claim in Schedule F would be unduly burdensome and cost prohibitive and, therefore, the Debtors have not listed a date for each claim listed on Schedule F.

Further, any open accounts payable amounts listed in Schedule F relate only to approved invoices and do not take into account any accrued or uninvoiced liabilities.

23. **Schedule G.** While reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions, or over-inclusion may have occurred. Listing a contract, agreement or lease on Schedule G does not constitute an admission that such contract, agreement or lease is an executory contract or unexpired lease or that such contract or agreement was in effect on the Commencement Date or is valid or enforceable. The Debtors hereby reserve the all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G, including, but not limited to, challenging the effectiveness and/or characterization of the structure of any transaction, document or instrument related to a creditor's claim. Any and all of the Debtors' rights, claims and causes of action with respect to the

contracts, including the validity thereof, agreements and leases listed on Schedule G are hereby reserved and preserved.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, letters, and other documents, instruments, and agreements which may not be listed therein. Certain of the contracts, agreements, and leases listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth in Schedule G. Additionally, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, rights of way, indemnity agreements, supplemental agreements, amendments/letter agreements, and confidentiality agreements. Such documents might not be set forth in Schedule G.

Each entry in Schedule G represents a separate executory contract or unexpired lease. However, in some instances, a single Debtor may have entered into multiple related contracts with a counterparty, which results in multiple related entries in a particular Schedule G.

Certain of the contracts, agreements, and leases listed on Schedule G might have been entered into by more than one of the Debtors. Contracts are listed with respect to the Debtor entities that are parties to the contracts per review of the contracts where possible.

In addition, a number of contracts listed in the Amended Schedules and SOFAs are umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Amended Schedules and SOFAs only of the Debtor that signed the original umbrella or master agreement. There also may be instances where other Debtor entities that are not parties to the contracts have been the primary entities conducting business in connection with these contracts. Moreover, in some cases it may have been impractical or impossible to determine which Debtor assumed the obligations of a contract entered into by a former legal entity. In such cases, the relevant contract information is listed in the Schedules for Crescent Resources.

Omission of a contract, agreement or lease from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Schedule G may be amended at any time to add any omitted contract, agreement or lease. The Debtors' rights under the Bankruptcy Code with respect to any such contracts or agreements are not impaired by the omission.

24. **Schedule H.** In the ordinary course of business, the Debtors are involved in pending and/or threatened litigation and claims arising out of the conduct of their businesses. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counterclaims against other parties. Because of the volume of such claims and because they are all contingent, unliquidated and disputed, they have not been set forth individually on Schedule H. In certain instances, a co-debtor on a claim or executory listed on the Schedules may not be listed on Schedule H.

25. **SOFA 3b.** In the interest of full disclosure, all payments to professionals in the 90 days preceding the Commencement Date have been listed in SOFA 3b, without consideration of evergreen retainers or other prepayments.

26. **SOFA 4b.** All employees of the Debtors are employed by Crescent Resources, LLC. In the ordinary course of business, the Debtors may be obligated to withhold amounts from the paychecks of various regular employees in connection with garnishment orders or other state law withholding orders. The Debtors believe that these amounts do not constitute property of the estate and, accordingly, are not responsive to this question. Moreover, out of concern for the confidentiality of the Debtors' employees, the Debtors have not listed any such garnishments in response to this question.

27. **SOFA 9.** The Debtors have listed all payments made within one year preceding the Commencement Date to bankruptcy professionals retained pursuant to orders entered by the Bankruptcy Court in SOFA 9. The Debtors have not verified that all such payments relate to debt consolidation, relief under the bankruptcy law or preparation of a petition in bankruptcy.

28. **SOFA 14.** Certain personal property of lessors may be on land of the Debtors, but in the possession of such lessors. Such property has been excluded from SOFA 14.

29. **SOFA 18.** The Debtors continue to research ownership of certain nondebtor affiliates not listed in their organizational chart. Such entities have been listed in SOFA 18a for Debtor Crescent Resources, LLC. Additionally, the Debtors continue to research whether any nondebtor affiliates constitutes single asset real estate for the purposes of SOFA 18a.

30. **SOFA 22b.** The Debtors do not maintain historical records of director and officer terminations or changes in status. As a result thereof, the Debtors have no archival records of directors or officers whose relationship with the Debtors terminated within the year preceding the Commencement Date. Despite such limitations, the Debtors have made their best efforts to respond to SOFA 22b.

31. **Specific Notes.** These General Notes are in addition to the specific notes set forth in the individual Amended Schedules and SOFAs. Disclosure of information in one Schedule, SOFA, exhibit, or continuation sheet, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, SOFA, exhibit or continuation sheet.

32. **Totals.** All totals that are included in the Schedules represent totals of the liquidated amounts for the individual schedule for which they are listed.

33. **Reservation of Rights and Exculpation.** Nothing contained in the Schedules shall constitute a waiver of the Debtors' rights or an admission with respect to the chapter 11 cases and, specifically, with respect to any issues involving equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant nonbankruptcy laws to recover assets or avoid transfers. While reasonable effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and advisors shall not be liable for

any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. In no event shall the Debtors or its agents, attorneys, and advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and advisors are advised of the possibility of such damages.

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112. and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data..

Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
